

CENTRAL BOARD MINUTES

February 1, 1944

President Jack Cuthbert called the meeting to order and the minutes of the January 25 meeting were read and approved.

Murphy moved that Central Board contribute fifty per cent of the amount collected for the Infantile Paralysis Drive to the National Foundation for Infantile Paralysis and fifty per cent to the local committee (the Missoula County Crippled Children's Fund). Hansen seconded the motion and it carried.

Castle and Briggs were appointed to the committee working on "service certificate" awards.

Cuthbert reported that many students have inquired about the possibility of sending a statement regarding the students' attitudes toward the pending soldier vote bill to our Congressmen. Pearson moved that Central Board request the President's permission to conduct a survey during nine and ten o'clock classes to obtain the students' attitudes toward the right of service men to vote and that the results of the survey be forwarded to Representative Mansfield. The motion was seconded by Phillips and it carried.

Meeting adjourned.

Barbara Warden,
Secretary

Present: Cuthbert, Murphy, Hansen, Pearson, McKee, Phillips, Kinkade, Thompson, Harrison, Badgley, Castle, Briggs, Warden.
